

Beyond Your Brain

What experience of yourself do you want to have?

Leaders come to *Beyond Your Brain* because they want:

They gain these benefits through direct palpable experience of:

Energy: feeling it, moving it, directing it to release blocks, getting in profound states of flow, deep insight and creativity

Relationships: building helpful relationships with their untapped support system in the wisdom of the natural world, the elements, their ancestral lineage

Expansion: they now have greater intuition, greater ability to sense and follow energy, expand their vision, and to rapidly manifest their desires

Some specific ROI from participants includes:

- Time **BEFORE** implementing tools learned at *Beyond Your Brain*
- Time **AFTER** implementing tools learned at *Beyond Your Brain*
