It's safe to try new approaches, to innovate, to share my ideas at work.	
I trust my team members and colleagues to support my and the company's success.	
I feel emotionally and physically safe at work—in the environment, with the tools provided, with my colleagues.	
I am motivated by my company's mission, vision, values.	
I receive acknowledgement and appreciation at work.	
When I make a mistake I am corrected with respect and the desire to help me improve.	
I have a career development path that my leader continuously supports me in.	
I understand the expectations of me and my performance.	
I feel I matter to my leader and the company—I am making a difference here.	
How likely is it that you would recommend working here to a friend or colleague?
